

Moranbah State High School

2024 Uniform Guidelines

The capacity for state schools such as ours to develop a Dress Code is contained in the Education (General Provisions) Act of 2006. Families experiencing financial hardship and are unable to purchase the school uniform are encouraged to contact the school. This code is fully endorsed and supported by the Moranbah State High School Parents and Citizens' Association.

The school Dress Code is strongly supported because it:

- Encourages a culture of school spirit and pride which is essential for an effective learning environment
- Wearing a uniform promotes social equality among students because they diminish socioeconomic differences by reducing peer pressure associated with expensive 'brand' clothing
- Addresses health and safety policies by ensuring students are wearing appropriate footwear and sun-safe clothing
- Improves student safety by enabling staff to identify within the school grounds who are not associated with the school

Moranbah State High School understands and accepts that some cultures and religions have specific requirements. Modifications to the uniform that comply with recognised cultural or religious values may be negotiated with the Principal.

All short or long term exceptions to the Uniform require Principal approval.

The Moranbah State High School uniform can only be purchased from InterSport, located in Town Square Moranbah.

Consequences for failing to wear the correct school uniform

Wearing the school uniform is a school wide expectation under the Core Values of Respect and Responsibility. If a student is not wearing the full correct school uniform;

Step 1: Student is sent to the iCentre

Step 2: (a) Parent or Caregiver is contacted to bring in the correct uniform to the school for the student to change into, student receives a detention and returns to class.

(b) Removal of incorrect jewellery will occur immediately and stored in the school safe until 2:20pm when the student can collect it. Student will receive a detention for incorrect uniform.

Step 3: If parent or caregiver is not available student will change into school uniform on loan. Their incorrect clothing is to remain in the iCentre. Student receives a uniform detention and changes clothing and returns to class. Student returns to iCentre at the end of the day and changes into their own clothing. School is responsible for washing and maintenance of Loan uniforms.

Step 4: If a student refuses or shows disrespect when being directed about Dress Code the student will be referred to the Year Level Deputy Principal. Consequences will apply for "*failure to comply with the School's Student Code of Conduct*" such as:

- Removal from classroom and playground
 - Removal of rights to represent the school
 - Suspension for failing to follow instructions.
-
