Great Results Guarantee

Under this agreement for 2014
Moranbah State High School will receive $71,025*

This funding will be used to

- Increase the percentage of Year 9 students achieving the National Minimum Standards (NMS) in Reading from 87% in 2013 to 93% in 2014 and 100% by 2015 OR meet a guaranteed target as outlined in their individual evidence-based guarantees (ILG).
- Increase the percentage of Year 9 students in NAPLAN Reading in the Upper 2 Bands (U2B) from 11% in 2013 to 13% in 2014 and progress to 20% by 2015.
- Increase the percentage of students at NMS in Numeracy from 89% in 2013 to 93% in 2014 and 100% by 2015 OR meet a guaranteed target as outlined in their ILG.

Our strategy will be to

- Develop a school-wide system for monitoring and reviewing student performance in Years 8 & 9.
- Pre-test all students in Years 8 & 9 to identify the gaps in their learning and provide appropriate intervention.
- Review student performance data in five-week cycles to ensure appropriate teaching strategies are linked to the analysis by teachers of this data.
- Develop and implement a Reading Intensive Program / Corrective Reading program for all students in Years 8 and 9.
- Improve teacher capability through focused coaching and professional development to improve student performance in key aspects of Literacy and Numeracy through appropriate teaching practices based on the Art and Science of Teaching (Marzano).
  Evidence:
  - SRA Corrective Reading Program with Claire Scott (National Consultant) as our key improvement coach
  - Art and Science of Teaching (Marzano)
